Well glad the mother was able to talk some sense in to Maureen. She was hurting her son by keeping him away from his dad she was no saint she cheated and I'm sure he didn't rape her while they were married time goes by and I'm sure they have matured some he has found his life partner in kate. Very good read loved all books . Enjoyed reading all the books . Now will be reading the Drake's boxset

100*s!!!

By Hopeful

This is what I was missing from their last book but now with this it's PERFECT! Thank you S.E. Lund for a great series. I'm so happy Maureen finally warmed up to Liam knowing his father. Thank you for sharing your talent with us, I'm sad this is the end of Drake and Kate but this book made it more acceptable. Download now, start at book one and finish with this, it's an incredible read.

Amazing storyline

By De Reese Robinson

This book was amazing. Meeting Drake's and Kate's daughter, watching them care for her as they maneuver through there new lives as parents. Balancing parent and sexy submissive mom as well as daddy and Dominant. We still have some old baggage to get through, but I have no doubt that Kate and Drake's bond will only make them stronger in the end.
