ANTICIPATING INDIA:THE BEST OF NATIONAL INTEREST BY SHEKHAR GUPTA PDF

Collection of Shekhar Gupta's weekly columns in the Indian Express Indian politics, at the best of times, has always been a matter of complexity and opaque intentions. In November 1997, a particularly rudderless time in Indian politics, Shekhar Gupta began a column National Interest in the Indian Express that rapidly gained a wide, admiring readership for its ability to cut through the fluff and get to the heart of the issue of the day. The column began with a humorous but barbed dig at the ambitions of Sitaram Kesri. Seventeen years later, it is still going strong as it portrays an India that has changed in myriad ways since then to provide a ringside view of the dilemmas, crises and power plays of the last decade and more, as also the intricate interrelationships between politics, populism and economics. Featured here is a collection of these columns on a range of topics from the Ruchika Girhotra case to the December 2012 gang rape in Delhi, and from state of affairs under the Congress to the rise of Narendra Modi. This is history as it unfolds: direct, contemporary and riveting, a one-stop guide to understanding India in the new century.

Awesome shekhar

By karthik ramani

This book is A MUST READ for all of us. It gives such clarity to the reader about our politicians and their parties.

Very astute in his observations about mistakes made by political units (esp the congress) and their likely fallout. Its amazing that most of his observations now have come true.

Excellent Read!

By Gautam

An excellent book for readers interested in Indian Politics! Shekhar has very eloquently put across the rules of the game in Indian Politics and Governance with an unbiased and rational assessment of its successes and flaws. I really liked how instead of focussing on simply the negatives, the book highlights so many unknown and remarkable people in India's Political, Bureaucratic as well as Public domains who have had the vision, foresight and spine to have built remarkable institutions in difficult circumstances for which we are so proud today. Thank you Shekhar! Jai Hind!

Easy pickup

By Bharti Prasad

I have always liked Shekhar Gupta's columns mostly published in the Indian Express newspaper. I like them for the simplicity and lucidity of his style. But importantly, the issues raised are what concern, indeed, anxiously concern the more ordinary literate middle class reading public. The issues are discussed with an assured modicum of balance and openness even though one may not agree with some of his opinions or thesis. Also, some subjects deserve greater researched consideration. However, to have such a collection in one place offers a variety of easy readings.
