Loved It!

By Todd R. Weaver

I loved this short book! I just recently came across Johnny Enlow. It seems like each day he is sharing something new and amazing regarding God's activities on our planet. This book is no different. It reveals the keys to becoming a super hero and the shifts that need to take place for us to activate heaven in our lives. The focus is on the story of David. I felt I knew the story pretty well, but Johnny definitely brings new revelation. My book, Overflowing Success, in some ways covers the same underlying theme. We are God's beloved sons and daughters who are poised to change the world and bless the people in it. Let's do it!

I found so much hope reading this pocket guide. I knew there had to be so much more to life than normal or what we've seen or read or imagined but found the read truly revitalizing and excitement in my heart.

I've always wondered about how much different it was back in the times of David and now (family matters, spiritual aspects) and I found a whole new perspective on his life as I did before and how it relates to mine. There's so much more we haven't seen but I believe this is the greatest era that will be lived, I want to live it out. Thank you pastor Enlow for your insights!

Shepherd Boy to Heroic Godly Leader

By Daisyinc

Excellent book following the life of King David from shepherd to King, and the leadership skills he

developed from his relationship with God, from an early age. Perseverance, obedience to God, courage, and faith all factored into his great success as a hero.
