It has to do with what you can take as well as get from reading this *Before I Fall* by Lauren Oliver. You can prefer to pick various other book; yet, it does not matter if you attempt to make this book *Before I Fall* by Lauren Oliver as your reading selection. You will certainly not regret it. This soft documents e-book [Before I Fall By Lauren Oliver](#) could be your buddy regardless.

Amazon.com Review

In this *Groundhog Day* meets *Mean Girls* teen hybrid, Sam Kingston is pretty, popular, and has a seemingly perfect boyfriend. But after a late-night party everything goes terribly wrong, and the life that she lived is gone forever. Or is it?

At the start of *Before I Fall*, Sam is self-consumed and oblivious about the impact of her actions on others. But as she repeatedly experiences slightly altered versions of the hours leading up to her death—and her relationships with friends, family, and formerly overlooked classmates bloom, end, or shift—it's impossible not to feel for the girl whose life ends too soon. Oliver's adept teen dialogue and lively prose make for a fast, page-turning story in which the reader is every bit as emotionally invested as Sam. --Jessica Schein

From School Library Journal

Grade 9 Up—Samantha Kingston has worked her way up the popularity ladder; now a senior, she and her three best friends rule their school. On *Cupid Day*, Sam expects to receive Valentine roses, to party with her friends, and to finally (maybe) have sex with her equally popular boyfriend. The last thing she expects is that she will die, but in the final moments of her life, as she hears "a horrible, screeching sound—metal on metal, glass shattering, a car folding in two," everything turns to nothing. Only, it is not the end for Sam. She wakes up to start the same day over again, and again; in fact, she relives it seven times. At first, being dead has its advantages, as she realizes that nothing worse can happen to her. She first conducts herself with reckless abandon, seducing her math teacher and smoking marijuana. It is difficult to feel pity for Sam; she is snobbish, obnoxious, a cheater, and just plain mean. However, her gradual and complete transformation is so convincing that when she finally puts others before herself in order to save another life, it is moving and cathartic. The deepening relationship between Sam and Kent, her childhood friend, is sensitively described and the most complex and compelling relationship in the story. Although somewhat predictable, the plot drives forward and teens will want to see where Sam's choices lead. Fans of Gabrielle Zevin's *Elsewhere* (Farrar, 2005) will enjoy this almost-afterlife imagining.—Amy J. Chow, The Brearley School, New York City

Review

"Oliver's debut novel is raw, emotional, and, at times, beautiful....readers will love Samantha best as she

hurtles toward an end as brave as it is heartbreaking.” (Publishers Weekly (starred review))

“Samantha’s attempts to save her life and right the wrongs she has caused are precisely what will draw readers into this complex story and keep them turning pages until Sam succeeds in living her last day the right way.” (Voice of Youth Advocates (VOYA) (starred review))

“Oliver, in a pitch-perfect teen voice, explores the power we have to affect the people around us in this intensely believable first novel...This is a compelling book with a powerful message and should not be missed.” (ALA Booklist)

“This story races forward, twisting in a new direction every few pages, its characters spinning my emotions from affection to frustration, anger to compassion. You’ll have no choice but to tear through this book!” (Jay Asher, author of the New York Times bestseller *Thirteen Reasons Why*)

“Before I Fall is smart, complex, and heartbreakingly beautiful. Lauren Oliver has written an extraordinary debut novel about what it means to live—and die.” (Carolyn Mackler, author of *Tangled* and *The Earth, My Butt, and Other Big Round Things*, a Printz Honor book)

Yet, with this soft data, you can take pleasure in checking out in the extra time also in the gaps of your works in office.

BEFORE I FALL BY LAUREN OLIVER PDF

With this stunning debut novel, New York Times bestselling author Lauren Oliver emerged as one of today's foremost authors of young adult fiction. Like Jay Asher's *Thirteen Reasons Why* and Gayle Forman's *If I Stay*, *Before I Fall* raises thought-provoking questions about love, death, and how one person's life can affect so many others.

For popular high school senior Samantha Kingston, February 12—"Cupid Day"—should be one big party, a day of valentines and roses and the privileges that come with being at the top of the social pyramid. And it is...until she dies in a terrible accident that night.

However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest changes, she may hold more power than she ever imagined.

Named to numerous state reading lists, this novel was also recognized as a Best Book of the Year by Amazon.com, Barnes & Noble, The Daily Beast, NPR, and Publishers Weekly. It has been optioned for film by Fox 2000 Pictures.

Supports the Common Core State Standards.

Haunting, heartbreaking, beautiful

By The Compulsive Reader

Friday, February 12th should be just another average day for popular, beautiful Samantha Kingston. But it's far from it--her ride home after a late-night party ends in a car accident, only when Sam wakes up, it's Friday, February 12th again. Forced to re-live the last day of her life seven times, Sam struggles to understand the meaning behind these experiences and the significance in her own life and actions. Because only when she can get her last day exactly right will she ever be able to take the next step.

With keen insights and startling candidness, Lauren Oliver's debut novel is a frank, if not at times brutal look at high school social circles and the careless cruelties and bullying that occurs on a daily basis. Sam is one of

the mean girls, and she shrugs off her biting words and actions as something that just happens, collateral damage of living through high school. But through every complex and carefully plotted event, Oliver peels back the layers of Sam's life and teaches us all that every little deed has a consequence, and no act goes unnoticed. Though Sam is by no means a likable character at the beginning of the novel, as her character is revealed and she learns a thing or two about the things she has done in her life and the person she has become, she morphs into a true, selfless, and caring heroine, despite her many flaws. The story line is addicting and suspenseful. and as each "day" passes and Sam begins to get things right, the question that has been looming in the back of your mind since the end of the first chapter--What will happen to Sam?--becomes more and more urgent. Oliver is skillful at wielding suspense and heartbreak, making you think hard about the value of your own life and actions.

Before I Fall is a haunting and beautiful book. It will float around at the back of your mind long after you've read it.

Good

By April Capwell Williams

Good read. I was bored that she did a lot of things the same but still I couldn't put the book down. I wanted to know what she tried next.

If you knew THEN what you know NOW- what would you do?

By L. J. Schrader

Sam is the kind of girl we can all hate. Popular, snotty, superior. In life, you could have pointed out her bad behavior and she probably would have laughed in your face, or honestly, not cared at all. But, in death she is forced to take a good, long look at every choice she has made in her relatively short lifetime.

We get to know Sam and her friends at the beginning of the story, leading up to a crash that takes Sam's life. You have to be patient as you are introduced to them because they are not likeable at all. Just when you think you've had enough of them, they are in a deadly crash. That's not the end of the story, though, only the beginning.

Sam goes into a sort of sleep following the accident and awakens to relive her last day. Will changing something along the way lead to a different result? She tries, and tries again, and again. In fact she gets numerous attempts to "perfect" her last day, hoping she can make the most of her life...and her death if can't undo the accident.

This is not your typical tale of redeeming yourself. It's not so easy to make the changes that Sam needs to make to change fate. She doesn't simply do something new each time she gets a new day. Her first attempts are vastly different with vastly different results. It's not until she puts all the finest pieces together that she thinks she has the best solution. Life is unpredictable and so is death for Sam.

Watching this aggravating girl realize how wrong she has been is satisfying. Seeing her struggle to become a better person with only one day is fascinating. Wondering how (and if) she is going to succeed makes you not want to put this book down. Great read!

Note to parents: This book does contain a lot of references to drinking, drugs and sex, but nothing graphic.
