# DEMIGODS & MAGICIANS: PERCY AND ANNABETH MEET THE KANES BY RICK RIORDAN PDF

Magic, monsters, and mayhem abound when Percy Jackson and Annabeth Chase meet Carter and Sadie Kane for the first time. Weird creatures are appearing in unexpected places, and the demigods and magicians have to team up to take them down. As they battle with Celestial Bronze and glowing hieroglyphs, the four heroes find that they have a lot in common--and more power than they ever thought possible. But will their combined forces be enough to foil an ancient enemy who is mixing Greek and Egyptian incantations for an evil purpose? Rick Riordan wields his usual storytelling magic in this adrenaline-fueled adventure.

Save your money -- previously published stories.

By HT

These short stories were included in prior books (the printed versions, not just the e-version like another reviewer said). If I had realized that, I wouldn't have spent money on this. However, my daughter, who is a huge fan and for whom I bought this, was still pretty excited to get this book.

Greek meet Egyptian!

By Amazon Customer

A fun crossover series of adventures as Percy Jackson and Annabeth Chase meet up with the Kane siblings to fight Egyptian/Greek crossover evils. The three short stories have been previously released as eBook only publications, but are now combined here in hardback format/dead tree format for the first time. If you already own the eBooks, there are still a few extras included. A one page letter from Percy explaining the set up. Plus samples from Sword of Summer, the first of the Norse Mythology series and the first few pages, a short chapter from the new, series where the Greek god Apollo has been turned into a human teen as

punishment and turns to the demigods for help, including his buddy Percy.

An enjoyable addition to Rick Riordan's mythology in the modern world collection, but if you already own the eBooks, you may not want to spring for the pulp version.

Fans of either or both of the series will enjoy this book

By SciFiChick

I'm a big fan of the Percy Jackson series, so I jumped at the chance to read *Demigods & Magicians*, where Percy and Annabeth meet the Kane siblings. I don't read the *The Kane Chronicles*, so I'm not as familiar with the characters. But the characters (especially Sadie) are fleshed out well.

*Demigods & Magicians* is comprised of three short stories. The first, is an adventure with the two boys as they meet while fighting a monstrous creature. The second story involves the two girls in a similar way. In the third story they all team up to take down the big baddie. Fans of either or both of the series will enjoy this book. The stories are exciting and humorous as the kids all get to know each other and the Egyptian magic versus the Greek demigod powers. It's fast-paced and a fun, quick read.
