Wasnt so happy with how the book was and how it ended. Couldve used a lot more detail so there wouldve been more to the story.

The final Dutch remixed!

By Mr. Chocolate

I know a lot of readers don't like Terri Woods because her and Brother Teague have had differences and I'm not on here to give my opinion on that situation. I give this novel 3.5 stars. I love the Dutch novels and I can't get enough of them so I had to pick up this version even though I already have Dutch: The Finale. Like the previous reviewer mentioned, it's like an alternate ending. It gives more insight into Goldilocks, Odouwo's, and Craze's backgrounds. I liked Dutch: The Finale better than International Gangster, but this is still a good read if you like the Dutch novels. One major difference between the two books without giving anything away is that with Dutch: The Finale there is a chance for at least one more novel. With this one, it is truly the finale. I hope my review helps. PEACE.
