Interview with the Author

Q - Are these books for me?

A - Do you enjoy stories that make you question our hand in society's downfall? Do you like immersing yourself in post-apocalyptic dystopian adventures that deal with the gritty truth about our future survival? Do you want to read about real characters who will keep you up long past your bedtime? Do you enjoy mysteries, thrillers and science fiction with heart? If you answered yes to any of these questions, I'd say these books are definitely for you.

Q - What if I don't really like science fiction?

A - You don't have to be a super fan of science fiction, just love people and the connections between them. The Exilon 5 series books are character driven and while my stories are certainly categorised as science fiction, they are down to earth and very relatable. Many readers who have loved my series have not been fans of dystopian science fiction thrillers, post-apocalyptic conspiracy or space opera type stories. But after reading my books they are more than willing to give new sci-fi stories a go. If you love TV shows like The Walking Dead, Game of Thrones or Marvel's Agents of Shield, you'll enjoy this series.

Q - Can I try something a little shorter to begin with?

A - Yes you can! You can get my psychological science fiction thriller story for free here: smarturl.it/y31fek

Q - I loved the first three books in the Exilon 5 series and want more. Will you be writing any more books?

A - The Exilon 5 books were originally written as a trilogy but when I finished *Crimson Dawn*, another story emerged that continues on eight years after the end of *Crimson Dawn*. Currently, they are listed as a trilogy but I hope to release the fourth book in 2016, and the fifth and sixth book soon after. When that happens, the "trilogy" title will no longer be relevant and it will become the Exilon 5 series.

Q - What order should I read the books in?

A - It's better to read the books in this order: *Echoes of Earth*, *New Origin*, *Becoming Human*, *Altered Reality*, *Crimson Dawn*. While it is possible to read the books out of order, reading them in order will help you to understand who the characters are and the struggles they face.

Derailed Conscience is a standalone book and can be read at any time.

The Exilon 5 Series Order:

Prequels

Echoes of Earth

New Origin

Main Series

Becoming Human

Altered Reality

Crimson Dawn

(more coming in the series in 2016)

Derailed Conscience (stand alone at present. Sequel coming soon)

Q- Are you writing anything else?

A - I'm currently writing a Young Adult/New Adult Science Fiction story that I hope will be ready in 2016. I also want to write a follow up to *Derailed Conscience*, which was originally written as a standalone book but deserves a follow-up story to conclude it.
