Certainly, it will certainly not obligate you to take lots of pages. Just web page by web page depending on the moment that you have to check out *Forget Me Always (Lovely Vicious) By Sara Wolf*

FORGET ME ALWAYS (LOVELY VICIOUS) BY SARA WOLF PDF

It's been three years, twenty-five weeks, and five days since Isis Blake fell in love, and if she has it her way, it'll stretch into infinity. Since then, she's punched Jack Hunter?her nemesis-turned-maybe-something-more?in the face, survived a brutal attack by her mom's abusive ex thanks to Jack's heroics, and then promptly forgotten all about him.

The one bright spot for Isis is Sophia, the ephemeral girl who shares Isis's hospital stay as well as a murky past with Jack. But as Isis's memories return, she finds it harder and harder to resist what she felt for Jack, and Jack finds it impossible to stay away from the only girl who's ever melted the ice around his heart.

As the dark secrets surrounding Sophia emerge, Isis realizes Jack isn't who she thought he was. He's dangerous. But when Isis starts receiving terrifying emails from an anonymous source, that danger might be the only thing protecting her from something far more threatening.

Her past.

Great book Two of Three

By Dorothy

As a casual connoisseur of the romantic trilogy, I have learned that the second book needs to keep the hero and heroine apart. That's what happens in this book. People are saying Isis and Jack have too few scenes together in *Savage Delight*. Meh. It's still great. Isis has some stuff she needs to work out while her head trauma heals, so we take a lot of time in this book to give her some opportunities to talk to people, to open herself up a little the way an only child is reluctant to do, and to unravel some mysteries we heard vaguely about in the first book. We hear more from her college application results, her father, lovable Wren, the principal, her mother and, interestingly, Sophia. It's all fun to read (sometimes it's sad) and told in Isis's irreverent, snappy voice. Look forward to book 3.

Great second book!

By KMS1979

I really enjoyed *Savage Delight*, it was a great continuation of the story that began in *Lovely Vicious*. The only thing I would like to see is a little bit more of Isis's backstory without it being broken up so much as it sometimes makes it hard to grasp early plot clues. There are times I recognize the plot clue as a plot clue but it isn't until a few chapters later that enough past details are released that it becomes clear that it really was a plot clue, not just my imagination.

Isis continues throughout the story as our loquacious heroine that hooked us into *Lovely Vicious*. Her interior monologues (or in most cases, not completely interior monologues) continue to be a great source of entertainment and originality. Jack Hunter's personality further develops also.

I don't want to give too much away so I'll stop here, but there will be a third book and I already am jittery waiting for it!

Savage Delight

By Morris

Liked book two just as much as book one. I can't wait to find out how this all ends with the final installment. I've been lamenting on how *Wolf* will close all the doors and if all the questions I have will be answered.

The writing is just the same as it was in the previous book and I'm glad that it is. It still sounds and reads like there is more than one person writing but I'd have to guess that this is just how this author writes. I've never read writing like this before and it's pretty darn sweet! Especially coming from one person with like, eight personalities. Awesome!

We still get another cliffhanger and it sucked! This also starts where the previous book left off and we are still getting Jack's POV's once in awhile but more frequently. I kind of wish we would have just started getting his from the get go but whatever. I'll suffice. Also the plot is still cloaked throughout the book making it that much more unpredictable. Thank you *Wolf*! For once I solved this right before it happened and not right off the bat! I finished late last night and needed to catch a catnap before my kids got up so I haven't got to dive into book three and it's killing me. Alas, it will happen at some point today and hopefully I shall conquer that in one day too!. Anyways... I would recommend to 18+ it does have rape and other unmentionables so be aware.
