MENAGE A COWBOY: BILLIONAIRE WESTERN MENAGE CONTEMPORARY ROMANCE BY JENNY KLAIRE PDF

When Grace offered to work at the vet clinic the summer between college and vet school, she did not expect her very first day to involve a sexy, shirtless cowboy, a misunderstanding of embarrassing proportions, or her arm shoulder-deep inside a birthing mare.

Newly single and never one to jump in blindly with both feet, her summer kicks off to a very heated start when she finds herself jumping out of the frying pan that is Adam, and into the fire of his twin brother, Scott.

Will the heat of this Texas summer melt her with desire or burn her to ashes when both billionaire, cowboy brothers set their sights on roping Grace in between them?

Note: This story was originally published as a serial, in four pieces, written by Jamie Klaire. Once Jamie Klaire decided to separate cowboy romances from her short story pen name, Jenny Klaire was born.

This story does have 25% more now than it used to, and the extra content is only available here. This story used to end after Chapter 20, but due to reader requests, I added more chapters, starting about a year after the original story ended.

Enjoy!

An Awesome Read!

By Donna feibusch

I really enjoyed reading Menage A Cowboy: The Complete Series (Billionaire Western Menage), all about Doctor Danny the Vet and his daughter Grace a future vet in the making & Scott and Adam Mitchell the owners of Almosta Ranch. Doctor Danny & Scott are working together to pull a colt out of its mama but are having extreme difficulties, so they ask Grace to help. She hesitate at first but jumps in and puts her hand into the mare to try and pull out the colt. Scott walks her thru what she's looking for and without looking she can feel the nose and the knee & finally the hoof, she needs both hands and pulls really hard and then the mare takes over and out come the colt. It was the most beautiful thing Grace had ever done. Sure she has seen her father do this a thousand times, but you never forget your first assist. It was even more special since, Scott was shirtless and absolutely gorgeous. He told her to go into the house up the stairs on the right into the bathroom and take a shower, cause she was covered with also rats of slime from the birth. The author wrote a very interesting and amazing story, and the characters brought the whole story to life. Read about the various

adventures that Dr. Danny and his daughter Grace get into. Also read about the owners of Almosta Ranch and follow the twins through their everyday lives and the one woman who has captured their hearts! I really enjoyed reading about Scott, Adam & Grace maybe there will be another bundle written about them after she becomes a vet, that would be neat!

Two hot sexy cowboys and one independent woman, they really steam up the pages.

By Carol

I had read this book some time ago but I enjoyed re-reading it in its expanded version.. The cowboys, Scott and Adam, have such an easy going, sexy way of talking it is no wonder they could persuade straight laced Grace into giving them a chance to see how it could be loving them both. Grace is going to veterinary school so she can work with her father but spends her weekends and holidays with her cowboys. Her ex, Jake, tried to interfere, but all he managed to do was create problems for himself. I received this book free in exchange for an honest review.

A fun and steamy story.

By A M Kavanagh

A fun and steamy story. Identical twin brother, Adam and Scott, owners of a very successful ranch, fall for their vet's daughter, Grace. Grace's father warns her away from the twunks, who have a love for her and leave them reeling. She is on summer break, and the twunks are as interested in her as she is them. Sleazy ex boyfriend, an epic bar fight, and a kidnapping. This story has a little of everything.

Loved the 1 year later addition to the series. Hoping for Menage a Cowboy wedding with Cade, Kevin and Rose from the Swinging D Dude Ranch!
