# **POLICE ADMINISTRATION: A LEADERSHIP APPROACH BY PJ ORTMEIER, JOSEPH DAVIS PDF**

Police Administration: A Leadership Approach was written to support the need for a text that addresses supervision and management as well as ethics, leadership, and the principles of policing that form the foundation for efficient, effective, and lawful administration of the modern police service. Unlike other texts, this book blends theory with practice. It presents a foundation for the administration and management of a police agency in a logical, flexible, and understandable step-by step process.

Successful Learning

By Darcy

Textbook provides not only required learning for class but also interesting method of delivery that makes it stick in one's memory. This is my first time buying a Kindle textbook version and was happy I was able to read it on my Kindle and Android phone. The ability to create flashcard notes was added bonus.

Outstanding!

By Raymond Hankins

Loaded with information and really good flow. Book was part of Graduate Course work, easy to follow and blueprint on internal police administration.
