Treats Vagrant well both in depth and in width.

By alex b

The author gives thorough treatment to the subject of setting up complex development environments using Vagrant. Those interested in strategy get the enlightening overview of the Vagrant workflow with best practices and possible pitfalls to get it right in your team or company. And at the same time, a more practice-oriented reader is offered a command-by-command guide and tutorial to how get things done with Vagrant. Kudos, Mr Gajda!
