As recognized, many individuals state that books are the custom windows for the globe. It doesn't indicate that buying publication *Queenie By Michael Korda* will certainly suggest that you can get this globe. Just for joke! Reviewing an e-book *Queenie By Michael Korda* will opened up somebody to assume far better, to keep smile, to entertain themselves, as well as to urge the understanding. Every book also has their particular to influence the reader. Have you known why you review this *Queenie By Michael Korda* for?

From Publishers Weekly

Beautiful, mysterious, intelligent *Queenie* cajoles her uncle with whom she lives in her mother's boardinghouse into stealing a bracelet so valuable it pays her way from India to London. Once there, she capitalizes on her looks, becomes a model, a Hollywood movie star; nonetheless her life is riddled with adversity, and her beauty repeatedly saves her. PW commented: "*Queenie* remains . . . however, only a portrait who never comes to life, despite the fact that she is a thinly disguised stand-in for Merle Oberon, who was married to Korda's uncle."

A 4½ STAR REVIEW

By Martin

Michael Korda's fictionalized account of Anglo-Indian actress Merle Oberon's claim to fame in Hollywood's golden era is a delight from start to finish. Naming her Dawn Avalon and putting her at risk when she is wrongfully accused of murder, Dawn flees India to London where, as Queenie Kelley, she becomes a superstar of the stage and screen, while trying her best to stay incognito. Effectively narrated, Korda's story takes you back to a time when studio kings were enthralled by their star pets, as Queenie Kelly was by many, but especially by writer/director David Konig. Their union during the making of his movie is as enchanting and as riveting as the entire novel itself. Glamorous to the core, with colorful characters and edge-of-your-seat intrigue, *QUEENIE* is a perfect example of great escapist fiction.-----Martin Boucher

Excellent Read

By A Customer

This is one of my all time favorite books. It is a winding story that begins in India and takes you through the Golden Era of Hollywood. You really can't put it down. You love the heroine, despite her mistakes and flaws, and truly hate the villains. There are so many twists and turns. I highly recommend this book!

**CHIC OR CHI CHI?**

By Mikki Patterson

I first read "Queenie" ten years ago. It was a sexy, spicy, great, warm splash of a read. Somehow the fact that it was the retelling of Merle Oberon's story eluded me. I enjoyed the book immensely, personally identifying with the heroine's struggle to discover exactly what mold she's "caste" in as well as her personal and political victories over prejudice & racism in the industry. Why read "Queenie" again?

One of the characters in a book I'm reading made reference to Miss Oberon's appearance as "Cathy" in "Wuthering Heights" commenting that "she didn't look CHI CHI,(Anglo/Indian) but she was you know." Checked out vitals on net and clicked with the fact that Ms. Oberon was first known as Queenie O'Brian. And was once married to someone named Alexander Korda (as in Michael's uncle). This book is probably closer to "the facts" than some of the Botox injected, pufferies that currently pass for biographies.
