The Jewish People in its very being constitutes a living protest against a world of hatred, violence and war. Radical Then, Radical Now is a powerful testimony to the amazing resilience of the Jewish people who have, through their endurance of four thousand years of persecution and exile, earned a unique place in history. Without land or power, they created an identity for themselves through their shared dreams of freedom, justice, dignity and human rights.

Yet far more than Jewish history is contained within the pages of this book. Jonathan Sacks reminds us all of the legacy of those dreams and of our responsibility to our fellow man. He challenges us to build a better world.

'Of all the questions of life, the two most penetrating are ' Who Am I ? Who Are We? Rabbi Sacks answers beautifully. On matters of faith he is one of my favourite writers' --Michael Novak, Scholar at The American Enterprise Institute

Deep insight into today's culture, values and problems

By John G. Peiser

Jonathan Sacks creates a panoramic view of today's culture, values and problems in great depth - contrasting the historical and religious depth of Jewish learning, laws and values in amazing ways. His great insight is easy-to-read showing of his penetrating command of the subject matter. This is a MUST read for anyone seeking to understand the past present and future paths our society should contemplate.

4 of 5 people found the following review helpful.

I don't know a better Primer on Jewish Thought

By People of the Book

In my opinion this is Jonathon Sack's Magnum Opus. In this book he clearly defines what it means to be a Jew and what makes Jews different. An absolute must for anyone who is looking to get into Judaism or would like to tickle their brain with some fundamentals in Jewish thought and theology.

A Truly Incredible Book.

Five Stars

By L. Suransky

Superb general introduction and overview to many angles of the torah and Jewish heritage.
