Loved each of these amazing stories of modern day royalty. Tango With a Prince was a beautiful story and gave us more insight into all the family's interaction We Learned more of the relationship between the King and Queen. There might be more of this relationship in a future book????? The interaction between the twin Princes is wonderful. Can't wait for the other twins story

. All this and a beautiful love story.

Where in the world is the Crown Prince?

By INDYread

Nichole Burnham – Royal Scandals Series Slow Tango with a Prince – Book 3

Ahh, we are now going to find out about the Crown Prince, who will be King someday, Vittorio Barrali. Vittorio's Ex-girlfriend committed suicide and he is tormented and needs to be out of the spotlight of the paparazzi and heal. Vittorio has an identical twin brother; Prince Alessandro and when he suggests that he and Vittorio swap places just for a little while giving Vittorio the needed time to re-group.

However, it was more than a little while that Vittorio was in Argentina, like 5 months. Crown Prince Vittorio liked being out from the spotlight and wasn't ready to come home. And, he meets Emily who has a television show. The electricity that zaps Vittorio and Emily is so powerful that it is hard for them to stay away from each other. The Prince, however, must not let anyone know who he is but when Emily's guests backs out, Vittorio decides to help her. He knows this is a risk, but he wants to help her, so he agrees to do the show as a buyer of real-estate he is actually looking at.

You don't want to miss this HOT and SEXY story of two people who meet in another country, but who can't stop thinking about each other after they leave. But, when Emily finds out who he really is, Vittorio knows two things, 1) Emily would be able to be the hero to the TV Station if she lets everyone know that the Crown Prince is on her last show, 2) The people of Sarcaccia would feel betrayed by the Royal Family if they found out that Alessandro posed as Vittorio for "Five" months.
