BOOK DESCRIPTION: As one of the biggest rock stars in the business, Drew Morrison can have anything--and anyone--he wants. Only Ashley Emmit, who has joined his tour to work on a college research project, is completely off-limits. Drew promised her father that, once the tour was over, he would send her home pure and untouched by the rock 'n' roll world. But he has never been so tempted by anyone in his entire life. How is he going to make it through this tour without giving in to the urge to drag her into his arms and kiss her breathless?

Ashley has always lived by the rules. But from the moment she meets Drew, none of those rules make sense anymore. Not only does Drew's music affect her deeply...but she's never wanted to kiss anyone so badly. Not that a magnetic star like Drew would ever feel the same way about a brainiac like her, of course. And even if he did, she knows from painful experience that two people as different as they are simply don't belong together.

But when the attraction between Drew and Ashley burns hotter every moment they're together on the tour bus--and they begin to share their deeply hidden and emotional secrets--will either of them be able to resist temptation? Or could giving in to their feelings lead them straight toward a love they never saw coming...

I so love how Bella can sweep me in to a family

By Jill Dion

When I woke up and realized this had been delivered in the middle of the night I went to start to read it. I realized very quickly I had not read Sean and Serena's book so I stopped and read theirs first. I so love how Bella can sweep me in to a family. I can not wait to read more. I just love how with help this family is starting to heal from the loss of their glue. Not sure how many more letters from mom I can get through but I know there will be more for each sibling and I hope we will get to hear the one she wrote for her husband. Can not wait for more!

What I like about Andre's writing is that you always know what you are getting" ~ Under the Covers

By Under The Covers Book Blog

Reviewed by Annie and posted at Under The Covers Book Blog

Bella Andre never fails to disappoint. In the second book to the Morrisons series, TEMPT ME LIKE THIS is a sweet burn between Drew Morrison and Ashley Emmit.

When Ashley doesn't get accepted in her first-choice school, she pulls some strings and lands herself on tour with the biggest rock star. But she doesn't actually expect to get up close and personal with Drew quite like this. When they begin to share a tour bus together, it's game over. Ashley cannot resist Drew's charm any more than she is able to enjoy his music. Both become inspired by one another and Andre weaves a sweet tale that will no doubt sweep reader's off their feet.

What I like about Andre's writing is that you always know what you are getting. Although this is a New Adult series, Andre keeps to her brand of heroes. She likes them sweet and charming, with that mysterious edge that makes them so irresistible. It's why all her heroes to date have been so fun and delicious. She just knows how to cater to her readers.

This also isn't Andre's first time writing about rockstars. Her Sullivans series feature a couple of famous people as well but I think the real inspiration comes from Andre's own experience as a musical artist. It's nice to see how she is able to incorporate those experiences into her books as I think it gives it something more to look forward to.

I've been really enjoying this series and cannot wait to see what else is in store for the Morrisons!
