THE BEST BRIDE (HOMETOWN HEARTBREAKERS) BY SUSAN MALLERY PDF

#1 New York Times bestselling author Susan Mallery brings you a reader-favorite tale of redemption, self-discovery and a love that conquers all. Elizabeth Abbot is finally pulling her life back together. She's endured enough heartbreak at the hands of her deceitful ex-husband and is determined to provide a happy life for her daughter. That's exactly why she should stay away from Travis Haynes, the sheriff of Glenwood, with his trademark Stetson and sexy smile. With all of her broken heart, Elizabeth longs to trust the legendary lawman, to let him past the walls she has built up so carefully. But will her shattered past forever hold her hostage, even from a love that could make her whole?

Wake up, lady and pay attention!

By A Customer

Back Cover description: With his sexy Stetson and X-rated grin, was Sheriff Travis Haynes Glenwood's leading lady-killer or Elizabeth Abbott and her daughter's knight in shining armor? Finally pulling her life back together, Elizabeth couldn't afford more heartbreak. Still, Travis was awfully tempting...With every fragment of her betrayed heart, Elizabeth longed to trust the legendary lawman--enough to become his bride and give her child a daddy. But would her shattering past forever hold her hostage...even from the love that could make her whole?

I gave this 3 stars because I liked Travis, and the way the story started. However, about half-way through the book, I became annoyed. Sorry to give part of the plot away, but Elizabeth was married (?) to a bigamist. She met the guy while in college. Her move to Glenwood is so she can start over where no one knows her. Now she's attracted to Travis, who has the Haynes boys' reputation of love 'em and leave 'em. The difference here is that everyone knows the guy, he's not married and just about everyone but Elizabeth can see he's serious about her. The last quarter of the book was just so much emoting about--how can I trust ever again--that I just read the end to finish it. This is part of the Haynes brothers series, so if you've read any of the others, you'll probably read this too.

Re-release of older book

By Rachel2066

Although the Kindle version says the release date is October 2015, the book was originally published in 1994 - thus why, as another reviewer mentioned, the recovery time from a surgery is so long. Overall good Susan Mallery book

10 of 13 people found the following review helpful.

Seriously ?

By Rambette

Maybe its different else where, but out here when one has an appendectomy its usually laparoscopic surgery, meaning a minimally invasive incision and little to no real hospital time; and most people I know are up and about in a couple of days. Probably not playing golf but certainly not in bed for a week; even c-sections go home 2 days post op and have to move around - they've got no choice, and that is a lot more drastic than appendix. So the premise of this book was so 1950s to start with having her lying around helpless for a week... In fact, thats the worst thing for post op patients. Even after major surgery they get you up and walking as soon as possible...then some of her other helpess responses to him. She's an adult with a child, suck it up and deal. its not his business, responsibility or obligation nor is she being held for questioning so why does she feel she has no other options ? She is free to go if she pleases. He cannot force her to stay at his place or answer his questions. If a man ever dismissed my decisions, plans and run rough-shod over me like the sheriff did when he packed up her hotel room without a warrant or her permission, in the state of Calif supposedly...ya, right! Lawsuit capitol of the world.

Well, I got so disgusted with the two main characters and the basic storyline that 1/3 of the way thru I finally gave up, a first for me as I usually stick it thru til the bitter end, but this one just had too many problems for me to stick with it.
