THE DATING DILEMMAS OF DELILAH DUNNFIELD BY VICTORIA L. THURMAN PDF

One klutzy girl + Several neurotic fears= Lots of dilemmas in this hilarious debut novel by Victoria L. Thurman. Based on the author's real life, twenty-four year old Delilah Dunnfield (but please call her Deliyes like the sandwich shop- especially if you are one sharing an intimate moment with her) was always taught that "all the good ones are gone by the time you reach twenty-five." She has eight months. Will she sell herself short or will she walk away from a lifelong ideal?

Oh the DILEMMAS!!! Best Chic-lit yet!

By Elizabeth

DD of DD is delightfully written from Delilah's point-of-view, a naive and rather innocent single young woman. She thinks that if she turns 25 and she's still single that there will be NO CHANCE of her ever finding love. So her clock is ticking LOUDLY. You will get a first hand look at the foibles this young woman deals with. The writing style is sweet & witty but the author leaves out the crudeness that can come along with chick-lit dating stories...it's a love story and a personal growth story wrapped up into one awesome package. Every story has a purpose that moves Delilah toward the conclusion of the book. Very well-crafted and thought out.

Victoria Thurman's writing is conversational and lyrical. You will feel like Delilah is chatting with you & you'll even want to offer up your own advice at some point (maybe a few times) because she is so lovable and naive, but not annoyingly so. The situations she finds herself in are humorous and laughable. You will not be disappointed. I found this read so satisfying I didn't want the story to end. I am hoping that the author will write more about Delilah. This definitely didn't seem like a debut novel, the author clearly has mastered her voice...loved the writing style so much.

The DD of DD is a very worth-while read. I think it would be SUPERB for a book club and would probably make anyone think about the dating dilemmas in their own lives. I know I've had my share. I'd recommend this book to a variety of women...I usually read Historical Fiction but this book stood out to me so I decided

to read it & I'm so glad that I did.

A delightful first book

By NPA

I enjoyed this delightful woman's book by first time author Victoria Thurman. The simple plot that serves to illustrate a universal truth moves forward easily and steadily. The main characterization of a naive but intelligent young woman is well-drawn and reveals the author's dry wit. The story is quite funny--try not to laugh outloud at the description of her visit to the doctor's office. I hope to see more stories from this gifted author.

The Dating Dilemmas of Delilah Dunnfield

By Jenny

I am a very avid reader (3-5 books per week)

This book was very entertaining and I look forward to new works by Victoria. She really kept me engrossed in Delilah's story, and couldn't wait to see what would happen next.
