THE DEMON GABRIELLA BY RACHEL CALISH PDF

urviving an onslaught of dark forces took talent and strength—and allowing the Demon Abraxas into the world. Now Sabel Young's order wants her to answer for her actions. All Sabel wants is the freedom to love the woman she rescued, Ana Khoury.

Nearly killed—and worse—in a world of magic she didn't know existed, Ana is nursing new scars and old. Her brother wants to journey to South Dakota to confront their shared past before that opportunity is lost forever. The centuries-old feud between demons and witches isn't going to stop Ana from going with him.

Sabel knows there's nowhere that Ana can go that evil won't follow. She fears their newest ally, the Demon Gabriella, is a more profound danger than their enemies.

From One Demon Writer to Another--Brava!

By linda kay silva

I had the pleasure of meeting Rachel at GCLS this year. She had horns, fangs, was...oh wait...I think we agreed to keep that part a secret. Anyway, we both write demon books, not because we are, but because there is something uber sexy about a woman who will risk her life in the fighting of them. She has sexy down pat in this sequel to The Demon Abraxas. In this twisting and turning adventure we get a chance to know witch, Sabel Young and Ana Khoury, who is possessed by Abraxas, a demon who is a bit bossy, opinionated, and very powerful.

As someone who writes in this genre, I am very particular about the research done in regards to possessions, demons, and witches, and I can safely say that Calish has done her job well in taking what we think we know and creating viable and realistic characters and weaving them into a plot that is fast-paced and entertaining. Her world building skills are excellent, so if you are a reader who wants to fall into the magical realm, Calish has written a series that propels the reader into the magical, the mystical, and the mystery that is the demonic world.

Whether or not I had met her in person, I'd be giving this 5 stars because her demonology, witchcraft, and world building knowledge are outstanding and THAT is what I am looking for whenever I pick up books in this genre. From one demon writer to another, I say "Bravo, Rachel! Carry on!"

Witches, demons, Gods and Goddess, oh my!

By RLynne

This book is a sequel to *The Demon Abraxas*. Author Rachel Calish has once again done a brilliant job of building "the unseen world". It features Sabel Young, a witch and professor, and Ana Khoury, who Abraxas is "staying with". There are many twists and turns in this story, including a visit to South Dakota for the funeral of Ana's father where she must spend time with her brother who tormented her as a child and tried to rape her as a teen. Once the funeral is over, Ana, Sabel, Lily and her daughter Gabriella, must try to get safely back to San Francisco.

The Demon Gabriella is a good read with well developed characters and back story. Between the demons, Gods, and Goddesses, readers can enjoy the read, and only hope that it's fiction!

Great Read.

By Book Buyer

Very well written. I enjoy this author. A great combination of action and alternate reality without being overly hard to follow.
