## Review

“The Homebrewer’s Garden is extraordinarily handy, with an easy-to-follow format. With a thorough foundation for fundamental and innovative homebrewing, it is the perfect resource for gardener-homebrewers.”

— Charlie Papazian, founder and past president of the Brewers Association and author, *The Complete Joy of Homebrewing*

“The Homebrewers Garden is a fantastic resource for learning how to grow your own ingredients and harvest them at peak flavor. Your taste buds and your friends will be happy you invested some time with this book.”

— Russ Klisch, owner and founder, Lakefront Brewery

One of the best buys I've found and an enjoyable/informative read

By Douglas P. Frantz

Finally I found a book on brewing that goes into DIY detail without requiring a chemistry degree! One of the best buys I've found and an enjoyable/informative read!

Very informative.

By Versco

Lot of information about hops growers.

Five Stars

By David Hair

Great book about farming in your back yard to brew beer!
