An essential work on the history and world of Real Tennis and Rackets

By Ross Cann

Jamie Bruce's update of the book originally written in 1980 by his father, Lord Aberdare, is a major work with hundreds of new photographs and new sections for the majority of Court Tennis and Hard Rackets Clubs in the world. This has clearly been a major undertaking on the author's part and no true racquets aficionado should be without this Magnum Opus for their library!
