## Review

"This rather technical volume is a most important contribution to the literature on natural law theory."-U.S. Quarterly Book Review

?This rather technical volume is a most important contribution to the literature on natural law theory.?-U.S. Quarterly Book Review

## About the Author

Harry Jaffa (1918-2015) was an influential historian and political philosopher. At the time of his death he was an emeritus professor at Claremont McKenna College and Claremont Graduate University and a distinguished fellow of the Claremont Institute. His ideas helped shape modern American conservatism; he was also a speechwriter for 1964 Republican presidential candidate Barry Goldwater.

19 of 22 people found the following review helpful.

Excellent Reprint of Excellent Book

By R. J. Corbett

Thomism and Aristotelianism is an excellent dismantling of Thomas Aquinas' understanding of Aristotle, focusing mainly upon the Commentary on the Nicomachean Ethics. In the course of exposing how Aquinas misread Aristotle, Jaffa provides his own convincing interpretation of the Ethics, along with keys to the work's structure.

The only concern I had in ordering this book was its binding, as reprints can be on the mediocre side (my

library's version of this book is little more than a microfilm copy printed on flimsy paper). Greenwood Press, however, has provided a book in clear type upon quality paper, with a strong binding.
