Great Textbook

By James

Great images, clear writing and structure. Covers a lot of information but I wish it went into depth more on the social effects of Mao China. Overall great textbook.

0 of 3 people found the following review helpful.

Easy Transaction

By C. Jennings

I sent a question regarding this book and received a reply promptly. I order the book, delivery was quick and was as described. Would highly recommend this business.

2 of 7 people found the following review helpful.

Used book with too much highlighting

By RH

The book was used but there was no mention of the condition pertaining to the amount of highlighting that had been done in the book. This made the book almost impossible to use.
