I can recommend this book no higher

By Rick DiClemente

Absolutely one of the top 3 books I have ever read. I have been studying A Course in Miracles for 20 years. Never have I seen it written about so clearly and in such human terms. Mr. Arandes is amazingly accurate and tells us PRECISELY how to go about our daily "lives" and live the principles of the Course. I can recommend this book no higher, it is simply excellent.
